Flash Cards

1372 Kanji • Print • Cut • Learn

How to print double-sided flash cards:

1. **Print page 1 (this cover) and set it aside.**
2. **Print pages 2–139 (all front/kanji pages).**
3. **Take the printed stack and flip it over.**
4. **Re-feed the stack into your printer tray.**
5. **Print pages 140–277 (all back/romaji pages).**
6. **Cut along the dashed lines to create your flash cards.**

All front pages are grouped first, then all back pages. Columns are reversed on backs for alignment.
